

Motorhomes 2023

Welcome to Bailey, The Nation's Favourite.

We've been proudly hitting the road for over 75 years. Along the way, we've built hundreds of thousands of Bailey caravans and motorhomes, each of them made with one thing in mind: creating the perfect holiday.

So, no matter which of our models you choose for your home away from home, comfort, convenience and adventure are built into every one.

GO BAILEY! We can't wait to see you out there.

Bailey by name...

The Bailey story started back in 1948, when Martin Bailey designed and built the very first Bailey caravan in his South Bristol garage. His caravans soon captured the nation's growing quest for adventure, and Bailey quickly grew into the thriving, family-run business it still is today.

We've come a long way since those early days, but even with 75 years of experience now behind us we have never stopped considering how we can push the boundaries in everything we do to make us a better business. And, like you, we're always looking forward to our next adventure, of course...

The Queen's visit

As part of our 65th anniversary celebrations, we were honoured to welcome Her Majesty the late Queen Elizabeth II and His Royal Highness the late Duke of Edinburgh to meet the Bailey Team and enjoy a tour of our South Liberty Lane production facility.

75 YEARS YOUNG

75
years & counting

Family matters

We're proudly family-run to this day, and one thing hasn't changed a bit since Martin started it all: let's build great motorhomes that are superb value for money and inspire more and more people to Go Bailey!

Because, for us, there are few greater pleasures than getting out there in a Bailey motorhome, with nothing but the open road and good times with friends and family ahead.

The best bit? Everyone's welcome in the Bailey family, even if we haven't got to know you yet.

Here's to the next 75 years of making holidays.

What goes into The Nation's Favourite?

It all started with a simple question: "Is there a better way?" Leisure vehicle design and construction hadn't moved on very much for over 30 years, until we developed Alu-Tech and changed everything.

Alu-Tech is a completely new approach to bodyshell construction. Using a unique interlocking aluminium framework to clamp the body panels together, Bailey created a shell that was so much more robust and durable than anything else.

Greater protection against the elements comes from a significant reduction in the number of external joints and fixing points, along with using timber-free components in the upper bodyshell panels. Thicker, better-insulated panels, cloaked in impact resistant GRP (Glass Reinforced Plastic), hugely improve the thermal performance of the bodyshell, for genuine four-season performance. All this, with no increase in weight or cost.

Turns out, there is a better way.

*Terms and conditions apply.
Please visit baileyofoxford.co.uk/warranties for more information.

Since Alu-Tech first hit the road ten years ago, we've built more than 75,000 leisure vehicles using Alu-Tech technology.

- 1 Polystyrene core
- 2 Composite plastic extrusion
- 3 Alu-Tech rail
- 4 Structural fixing bracket
- 5 Alu-Tech rail insulation
- 6 GRP (Glass reinforced plastic) outer and inner skin

3 year

transferable manufacturer's components warranty*

6 year

transferable bodyshell integrity warranty*

LIGHTWEIGHT DESIGN
Alu-Tech is 10% lighter than conventional construction methods, so they're accessible to a wider range of licence holders and offer larger payloads.

LATEST SAFETY TECHNOLOGY
Anti-lock braking system (ABS), electronic stability programme (ESP) and twin front airbags all fitted as standard.

DESIGNED TO BE DRIVEN
Latest Peugeot Boxer or Ford Transit cab powered by either 165 or 160 bhp engine.

PREMIUM BRANDED TYRES
With TPMS (tyre pressure monitoring system) for superior fuel economy and improved safety.

SEVEN PART BODYSHELL CONSTRUCTION
Built using seven fully laminated panels for enhanced strength and improved thermal performance.

TIMBER-FREE PANEL CONSTRUCTION
Upper bodyshell panels are more resistant to the elements, enhancing their longevity.

SUPERIOR THERMAL INSULATION
Thick, fully laminated panels improves thermal performance and allow you to holiday all year round.

INTERLOCKING ALUMINIUM FRAMEWORK
Internal fixings clamp the body panels together, producing a shell of unrivalled strength and rigidity.

PRE-WIRED FOR WIFI
Pre-wired for easy retailer fit of mobile WiFi system.

GRP CLOAKED BODY SHELL
Glass reinforced plastic skin for greater impact resistance and superior thermal insulation.

ON-BOARD WATER SUPPLY AND OFF-GRID POWER
Truma solar panel and 90+ litre fresh and waste water tank

GRP UNDERSIDE PROTECTION
Glass reinforced plastic under skin to floor provides greater resistance against the elements.

CRASH TEST DESIGN FOR ENHANCED SAFETY
Market leading safety courtesy of crash tested floor and furniture design.

We believe in more

We build every Bailey motorhome on one simple principle: with high specifications at superb value for money with no hidden extras.

Simply put, we believe in more – and know that it's the little things that go a long way. Comfort and convenience come as standard in every Bailey, but you'll also find a host of extra features to make you feel at home, wherever you choose to park up.

So it's not just your money that goes further. Our signature build quality means you and your Bailey do too.

EUROPEAN COMMUNITY WHOLE VEHICLE TYPE APPROVAL (ECWVTA)

All our motorhomes meet stringent European environmental, safety and security standards.

BRITISH HEALTH AND SAFETY

All our motorhomes comply with British Health and Safety legislation, as certified by the National Caravan Council.

SUPERIOR THERMAL PERFORMANCE

The highest classification of thermal insulation (Grade III of EN1645-1) makes all our motorhomes four-season certified.

OVERCAB SKYVIEW WINDOW

Standard fit on all models, for even more natural light and ventilation.

CAB AIR CONDITIONING AND CRUISE CONTROL

Both fitted as standard, for even more comfort and convenience.

COMPLETE DRIVING COMFORT

Fully adjustable upholstered driver and passenger cab seats with twin arm rests and dual console-mounted cup holders.

USB SOCKETS

Conveniently located throughout.

MARKET-LEADING HEATING SYSTEMS

Truma or Alde central heating and hot water systems (range specific) combine with market-leading Alu-Tech insulation.

INTERNAL LIGHTING SYSTEMS

12v interior LED task and mood lighting systems, with down-lighters and directional spotlights.

WINDOW BLINDS AND FLYSCREENS

Protection and privacy on all windows and rooflights, as well as the main entrance door.

FURNISHINGS AND FLOORS

Premium quality fabrics and superior cushion construction, with practical drop in carpets over durable floor vinyl.

DOMESTIC STYLE REFRIGERATORS

Spacious Dometic or Thetford refrigerators keep your food and drink fresh.

THETFORD COOKING APPLIANCES

Rustle up your favourites with premium Thetford appliances featuring an oven, grill and hob.

BAILEY VALUE

As the Nation's Favourite we like to give you more – meaning more standard specifications for your money and less on the optional extras list.

Made in Bristol

We've been proud to call South Bristol home since 1948. Martin Bailey designed and built the first Bailey caravan in his garage, just a stone's throw from the South Liberty Lane site that now houses our 14.5-acre production facility.

We think of ourselves as one big family. Most of us live nearby and have been part of Bailey for a long time (ten years is the average length of service).

Over 500 hands make every Bailey

From our joiners and electricians, to our designers and fabricators, we have the skills, expertise and experience to build a complex range of caravans and motorhomes, all in the same plant – and all by hand.

We've invested heavily in South Liberty Lane over the last 20 years, including the UK's only mechanised assembly line, so our optimised production process is considered one of the most advanced in Europe. Quantity sits very comfortably with quality.

OVER 500 HANDS
HELP MAKE
EVERY BAILEY

The road ahead

To push UK leisure vehicle manufacturing to the next level, we've completely redeveloped our South Liberty Lane site.

By relocating PRIMA Leisure to North Bristol and our Large Panel Laminating Plant (which makes motorhome sides, ceilings and floors) to North Somerset, we've made space for the purpose-built Replenishment Centre, where we can store the thousands of parts we need to build our caravans and motorhomes. So the future of Bailey is as exciting and innovative as its past.

Tested to the limit

From desert dust to Arctic ice, we put our motorhomes through their paces, so they're at their best on the roads of Great Britain – and beyond.

Good enough simply isn't good enough. It's why we go to such great – and sometimes extreme – lengths to make sure our motorhomes can perform, whatever's thrown their way.

It's only through rigorous testing, that we're satisfied our products are ready for the road. It's why we push our vehicles harder and further, and for longer – and continually set industry performance standards.

Every new range, for example, goes through test conditions that are far in excess of what a motorhome is likely to encounter in its lifetime. Cold chamber testing goes down to -15°C, so we can work with our heating system partners, to get the best possible results in thermal insulation classification. We also put them through accelerated life tests and go to the extent of crash testing our vehicles to ensure your safety is guaranteed.

If something's not up to the job, we go back to the drawing board until it is, before testing it rigorously to make sure it's right. That way, when our products get out there on the road, we know every single one is the best it can be.

Watch our testing videos online

Go to baileyofofbristol.co.uk/tested-to-the-limit

Go anywhere, do everything

Cold chambers and crash tests are one thing, but few things beat getting out there properly.

In 2015, we took two Alu-Tech caravans on a 3,500-mile journey through the Australian Outback. During the two-week trip they stood up to everything the elements could throw at them, proving they could hold their own in even the toughest conditions.

In 2017, we embarked on another marathon endurance test; this time with two caravans and a motorhome, on a 5,000-mile trip to Northern Finland – and well inside the Arctic Circle. Conditions couldn't have been more different than the Red Centre of Australia, but once again the vehicles took everything in their stride.

The successes of these adventures really whet our appetite. So, we decided to embark on a third: 21 countries in 21 days, across two continents – without a rest. From Bristol to Istanbul, we're proud to say the vehicles were more than capable and eager for more – even if we were well in need of a break.

Choose your layout

Before you explore which range and model is right for you, you can narrow down your choice by berth, bed configuration, washroom placement and number of travel seats. You'll see which ranges correspond to your choices in the coloured bars beneath each layout.

Travel seats

Find the ranges with the option of either two or four travel seats on pages 14 and 15, then explore the model-specific details later in the brochure.

2 ↑	4 ↑	4 ↑	4 ↑ 2/4	4 ↑ 2/4	4 ↑	4-6 ↑

FIRST-CLASS FREEDOM

Get to know Autograph

The best of all worlds. The Autograph range makes no compromises, marrying performance with complete comfort, to bring true luxury to even the most ambitious adventures.

8 models

2, 4 or 6 travel seats

3,500-4,250kg chassis

Favourite facts

- High-performance Peugeot Boxer 2.2 HDi 165bhp engine
- Dometic reversing camera
- Thule wind-out awning
- Truma 100 watt solar panel for off-grid holidays
- Four-season all weather sustainability with Alde radiator central heating system
- Dometic 153 litre fridge freezer with dual hinged door (model specific)

Packed with luxury features and smart design, the third generation Autograph is our flagship range, where style truly meets substance.

With eight flexible layouts to choose from, there's a model to suit every adventure – no matter who's joining you. Whichever you decide on, your Autograph is full of exquisite styling, elegant curves, polished chrome and sumptuous soft furnishings, not to mention the latest technology.

But the Autograph doesn't just look the part. Under the bonnet is a Peugeot Boxer 2.2 Blue HDi 165bhp engine, with all the performance and power you need, wherever you want to go. Now you just need to decide where.

Model 79-2F

Key features

- 1 New fully adjustable driver and passenger seats with twin upholstered armrests
- 2 Peugeot Sat Nav system
- 3 New 'Cadet Grey' split section loose fit drop in carpets
- 4 New high level storage pockets
- 5 New optional 'Portobello' soft furnishings (cost option)
- 6 Ergonomically shaped rear travel seats (model specific)
- 7 Drop down kitchen worktop extension (model specific)
- 8 New standard 'Farringdon' soft furnishings
- 9 New dual finish 'Cashmere' gloss Italian design overhead curved locker doors

Specification

Key new features

- **New** 'Graphite' cab with colour coded bumpers and door handles
- **New** diamond cut style 'Graphite' 16" alloy wheels (except 81-6 that has 'Silver' alloy wheels) with premium branded tyres with tyre pressure sensor
- **New** AL-KO low profile AMC chassis
- **New** Thule Omnistor wind-out awning
- **New** drop down hob cover worktop in matching 'Slate Grey' marble finish
- **New** branded Perspex kitchen splashback with chrome detailing
- **New** Dometic 10 series 153 litre electronic fridge freezer with universal handed door mechanism (model specific)
- **New** Dometic 134 litre tower refrigerator (model specific)
- Fully specified cab with cruise control, air conditioning, driver and front passenger airbags, electric cab windows and heated wing mirrors
- Remote central locking for cab and habitation door
- Peugeot Sat Nav system
- Dometic reversing camera linked to Peugeot head unit
- High level storage pockets
- Fully adjustable upholstered driver and passenger Captain's seats with twin upholstered armrests and integrated headrests

Exterior features

- High performance GRP skinned 'Dove Grey' and 'Glacier White' Alu-Tech bodyshell (Go to page 4 to find out more about our patented construction)
- Aero-dynamic over cab profile
- Double glazed opening sky view over cab window with blind and internal surround (model specific)
- Aerodynamically profiled double glazed Polyplastic opening windows throughout
- Pleated flyscreens and blinds to all principal windows
- Midi and mini Heki rooflights located throughout the habitation area
- Rear bumper and light pillars with LED road lights
- Rear sequential indicators
- Door step with non-slip mat

- Dometic slimline flush fit habitation door with window, blind and bin plus a gas-strut assisted mechanism for smooth operation and Dometic pleated full length door flyscreen
- Hartal exterior doors featuring flush fit double seals, heavy duty handles, compression locks and retaining clips
- Centrally mounted exterior gas locker compartment
- Underbed storage area (model specific)
- Through-boot easy access large exterior storage on all end-lounge and end-bedroom models
- Co-ordinating graphics scheme

Living room

- Bailey 'Mendip Ash' furniture finish
- Dual finish 'Cashmere' gloss Italian design overhead curved locker doors with 'Grey' textured contrasting stripe
- Structural locker dividers with greater load bearing capacity
- 'Slate Grey' marble finish freestanding table with dedicated storage (model specific)
- 'Slate Grey' marble finish wall-mounted table with dedicated storage (model specific)
- Drop in tables for easy bed make up (model specific)
- Single raised floor for either front or rear lounges
- Drop down flaps on front bed box fascias (model specific)
- Domestic style sofa seating featuring premium quality fabrics and sprung seat bases for enhanced comfort
- Curved corner back rests with removable head rests (model specific)
- Upholstered bulkhead in front lounges (model specific)
- Standard 'Farrington' soft furnishings with fully lined co-ordinating curtains and four large square scatter cushions
- Optional 'Portobello' soft furnishings with fully lined co-ordinating curtains and four large square scatter cushions
- Pouches with integrated speakers in rear lounges (model specific)
- Illuminated entrance grab handle for ease of access in and out of the motorhome
- 'Cadet Grey' split section loose fit drop in carpets

Entertainment

- Status 550 telescopic directional digital television aerial
- Vision Plus satellite connection provision
- Pre-wired for satellite (Retailer fit)
- TV stations with 230v, 12v and aerial sockets in front and rear (model specific)
- Swivel and tilt TV bracket (model specific)
- Two front and two rear speakers (model specific)
- Pre-wired for WIFI (Retailer fit)

Bedroom

- Fixed single and double beds with aluminium frames and gas strut assisted opening mechanism (model specific)
- Deep-fill bed boxes with enhanced storage capacity (model specific)
- Ceiling-mounted mechanically operated Alu-Line transverse drop down double bed with sprung base (model specific)
- 'Honeycore' foam fixed bed mattress construction and stylish fabric covering (model specific)
- Full wall headboard (model specific)

Kitchen features

- 'Slate Grey' marble finish kitchen worktop laminate
- 'Cashmere' satin finish kitchen drawer fascias with soft-close drawers and handles
- Drop down kitchen worktop extension (model specific)
- Kitchen glass splashguard (model specific)
- Stainless steel round kitchen sink with concealed fixings, swan-neck mixer tap, washing up bowl and drainer
- Branded 800 watt microwave oven
- Thetford K-Series combined oven, grill and hob with electronic ignition and flame failure device
- Thetford dual-fuel hob with electric hotplate and three gas burners

Bathroom features

- 'Slate Grey' marble finish washroom worktop laminate
- Satin finish locker doors and vanity units in washroom
- Lined shower cubicle with bi-fold partition door and integral lighting
- Ceiling-mounted pull down hanging rail on shower hood
- Countertop inset washroom hand basin with ceramic ball mixer tap
- Thetford 12v electric flush toilet with removable cassette on wheels
- 93.5 litre external insulated fresh water tank with frost heater, baffles and level sensor
- 94 litre external waste water tank with baffles and level sensor (NOT insulated)
- Whale Aqua smart II on-board water pump with Aquasource 'lay flat' filling pipe
- Exterior gas BBQ point
- Pressurised hot and cold fresh water system and self-priming pump

Electrical

- Truma 100 watt solar panel
- Exterior 230v socket
- Branded 110 ampere/hour premium leisure battery
- 230v power supply with up to six interior sockets
- Twin flexible reading lights with integral USB sockets
- 12v directional spotlights with integral USB sockets in rear bedrooms and rear lounges (model specific)
- Feature control panel with USB socket
- Floor lighting to highlight step
- Additional ambient over locker lighting
- Additional low level task lighting

Heating and plumbing

- Alde Hydronic Compact 3020 programmable radiator heating system with combined water heating
 - Touch screen user-friendly control panel
 - Dual fuel 3.4Kw gas and 3Kw electric power sources
 - Programmable daily timer
 - Panel radiator in washroom
 - Panel radiator in living area (model specific)
- 93.5 litre external insulated fresh water tank with frost heater, baffles and level sensor
- 94 litre external waste water tank with baffles and level sensor (NOT insulated)
- Whale Aqua smart II on-board water pump with Aquasource 'lay flat' filling pipe
- Exterior gas BBQ point
- Pressurised hot and cold fresh water system and self-priming pump

Safety and security

- Crash tested vehicle design featuring reinforced floors and strengthened furniture to enhance passenger safety
- 'Fix and Go' tyre repair kit

Warranty

- Supplied with a six-year transferable bodyshell integrity warranty and a three-year transferable manufacturer's warranty*
- Four-year transferable extension to bodyshell integrity warranty (making ten years in total) and/or three-year transferable extension to manufacturer's warranty (making six years in total) available as cost options*

Optional extras

- **New** optional 'Portobello' soft furnishings
- Bespoke motorhome bedding sets to co-ordinate with soft furnishings (model specific)
- AL-KO chassis mounted spare wheel carrier and spare wheel (steel spare wheel)

*Terms and conditions apply.

Exceptional aftersales and accessories

Once you're the proud owner of a Bailey motorhome, we want you to get the very best out of it. So, whether you're adding some finishing touches to really make it your own or tracking down a tricky-to-find part, the PRIMA team of caravanners, motorhomers, campers and outdoor enthusiasts is here to help – and proud to offer you exceptional aftersales service.

With over 25,000 products, the PRIMA online shop has everything you need. Search by vehicle make and model, and browse our expanded category range. In-stock items are dispatched on the same day with thousands of original parts available to order.

We look forward to helping you 'Go Bailey'.

Where to buy
your Bailey

The next step is to find out a little bit more. We have a network of approved Retailers across the country, who we choose to work with because of their expertise. And, like us, they love to get out there and Go Bailey! themselves.

Once you've found your Retailer, you can explore the ranges and models first-hand, along with pre-owned Bailey motorhomes.* Book a test drive and find out which one is 'the one'. The Retailer will be on hand to guide you through your decision and will be happy to talk through finance options, if you need them.

The Bailey warranty

Your new Bailey comes with the peace of mind of our manufacturer's warranty. Your motorhome's bodyshell is covered with a six-year integrity warranty, while other parts and components are covered for up to three years.**

*Subject to availability.
**Terms and conditions apply. Please refer to baileyofbristol.co.uk for more details.

 Find your Retailer Go to baileyofbristol.co.uk/find-a-retailer

Once you're out on the road with your Bailey, you're already part of an exclusive club. So why not go one step further and join the real thing?

The Bailey Owners Club is here to help you get the most from your Bailey caravan or motorhome. Completely independent from Bailey of Bristol, there are members all over the world – and there's even a 'Little Bees' club for younger caravanners and motorhomers.

Membership is full of benefits. You'll be invited to weekend events and rallies across the UK, often at exclusive venues, while enjoying discounts on longer holidays in the UK and abroad – as well as online discounts at PRIMA Leisure, of course. You'll even have the chance to come and tour the Bailey factory, and meet the people behind Bailey.
