

**We've caught up in the workshop and have a few spaces available over the coming months!**

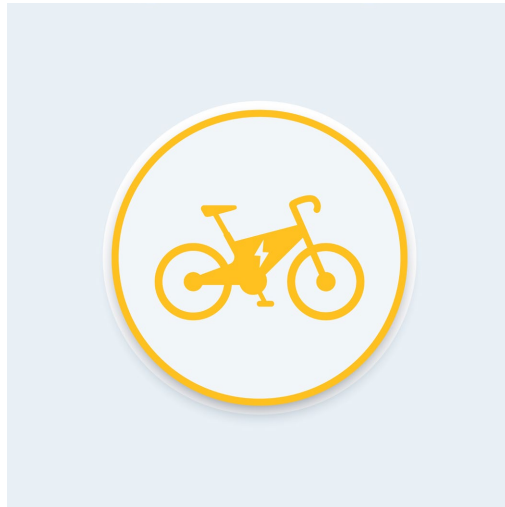

Thanks to Covid 19, we are experiencing shipping delays on our Pilote and Le Voyageur motorhomes.

Over this period we will be opening up our workshop to customers of

DeLuxe RV and Marlborough locals who maybe considering upgrades to their current RV.

We have a team of experience staff including Brett whom manages the workshop, Colin P and Jesse who complete all our install and fitment work, Colin B whose in-charge of all our PDI's prior to going on the sales yard or hand over and Pete whom oversees our yard vehicles.

## Our workshop is open for business.

For the first time in a number of years we are opening our workshop up to the general public.

During the months of July and August you will be able to book install work such as bike racks, awnings, TV and Satellite dishes to be done here at DeLuxe RV.

We work with recognised brands such as Thule, Fiamma, Dometic and RSE.

**Should you wish to obtain a quote for install work than contact Brett:**
